STOCK FEED.

Buy your meal and stock feed from
the home manufacturer, encouraging
home industry, contribute to home
labor, and leave your money in your
home town.

WHY DON'T YOU?

put that idle money you have in
the bank out at good interest on
real estate mortgages, or invest
in good real estate that will bring
good rents and increase in value?
You might invest it in vacant
property that will double in a year
or two in value. Property values
are constantly going up, and now
is the time to invest.
I have many good bargains in
vacant or improved property that
will net you handsome returns.
